

Northern Cochlear Implant Social Group

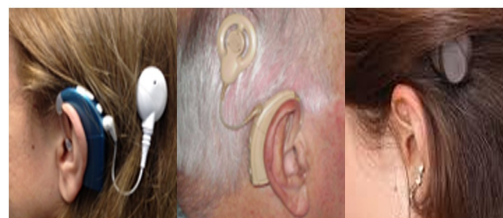

Rotherham Venue

Do you have or are you thinking of having a Cochlear implant for yourself, your child or a family member?, would you like to chat to others in the same position, if so please come and join us.

We are an informal and friendly social group, where you can come along and meet other cochlear implant users and prospective candidates in a relaxed atmosphere. Enjoy a cup of tea/coffee, biscuits and have a chat to other CI users. Family and friends are most welcome. Looking forward to meeting you.
